

On behalf of students in our district, we would like to extend our heartfelt appreciation to the generous donors of the Mountain View Educational Foundation, who made the 2014-2015 fiscal year the most successful in our more than thirty years of operation. Our donors, like our Board, care deeply about providing a quality and enriching educational experience for all of the children at every school in the Mountain View Whisman School District.

In the 2014-2015 fiscal year, our gift of \$583,695 to the school district enabled us to fund essential programs such as art, music, hands-on science, garden programs, recess programs, environmental education, and middle school sports and electives. In addition, MVEF funds supported leadership classes for fourth grade students, provided \$20,000 for special education resources, and supported a pilot program for eighth grade students to spend a week in Yosemite studying hands-on environmental science.

We are pleased to announce that we have increased our commitment to the district for the 2015-2016 school year to \$691,715. We will be extending our leadership classes to all fifth grade students, while maintaining the classes for the fourth grade students. We will also support the capstone environmental education trip to Yosemite for all eighth grade students.

MVEF-supported programming impacts our students every school day. We are very fortunate to have a broad donor base made up of parents, community members and corporate supporters who want to make a difference in the lives of our district's children. We know there are many worthy causes you consider when choosing where to donate. We hope you will help us continue to provide essential and innovative programming for the children of Mountain View. Whether you give to the MVEF endowment or current year fundraising efforts, your support of MVEF will transform the educational experience of the more than 5,000 students in the Mountain View Whisman School District. Thank you ever so much for your support.

Created in November 1999, the MVEF Endowment exists to provide long-term, perpetual financial support to MVEF. Gifts to the Endowment are an investment in the health of our community and our schools. The Endowment is professionally managed by the Silicon Valley Community Foundation, with a focus on long-term stability and growth.

Once the fund reaches \$500,000, a portion of the return will be disbursed to MVEF each year. In fiscal year 2012-13, MVEF launched the 5 Years to \$500,000 Endowment Campaign.

Thanks to the many donors who have contributed during these efforts, along with a strong return on investments, the Endowment fund had \$424,817 as of June 30, 2015. We are well on the way to reaching \$500,000.

To learn more about the Endowment and how you can make an investment in our schools, please email endowment@mvef.org.

Thank you to the following donors who contributed to the MVEF Endowment between July 1, 2014 and June 30, 2015.
