## Mountain View Educational Foundation Endowment

The MVEF Endowment was created in November 1999 with the goal of providing long-term, perpetual financial support to MVEF. Gifts to the Endowment are an investment in the health of our community and our schools. The Endowment is professionally managed by the Silicon Valley Community Foundation, with a focus on long-term stability and growth. Once the fund reaches \$500,000, a portion of the return will be disbursed to MVEF each year.

Dear MVEF Supporter,

To all of you who make our work possible, thank you. Your generosity has enabled us to provide funding for critical programs in our school district that reach every student in every school.

We profoundly appreciate your commitment to MVEF and to the students of the Mountain View Whisman School district. In 2012-2013, our community of donors provided the district with \$537,372 in funding for music and art, hands-on science, safe and inclusive recess and playgrounds, and grants for technology at the elementary grade level. Funding at the middle school level included technology grants, after-school sports, extended-day electives, and science lab supplies. We are not only reaching every student in every school with these programs, but we are having an impact in the classroom every day—

Elementary students explore the art of Picasso and Gauguin, seventh graders discover the secrets of a cell, fifth graders master Au Claire de la Lune on the clarinet, kindergarteners learn scientific method by observing tree leaves through the seasons, middle school students understand teamwork first hand in basketball and volleyball—and all students experience subjects in new ways with access to technology.

These are just a few examples of the direct benefits of your donations to MVEF. Thanks to our community of donors we are able to honor our long-standing commitment to pay for critical programs no longer supported by state and federal funds, but essential to a high-quality education.

For 30 years, MVEF has connected the vision of donors with the needs of our school children. As we celebrate this milestone, we thank you again for your generosity. We hope you will join us in continuing to invest in the future of Mountain View's children.

Sincerely,

Liza Levin, 2012-13 President

Karen Heitkamp, 2013-14 President

## MVEF Launches 5 Years to \$500K Endowment Campaign

In fiscal year 2012-13, MVEF launched the **5 Years to \$500,000 Endowment Campaign** in order to start benefiting from the funds set aside for the long-term stability of the foundation. To learn more about the MVEF Endowment, please contact Niki Theil, Endowment Committee Chair, at [endowment@mvef.org](mailto:endowment@mvef.org). The following donors made contributions to the MVEF Endowment this year to help ensure that future generations have access to the same high-quality, well-rounded education that today's students experience.

## Mountain View Educational Foundation Donors

Thank you to the following individuals and families who made contributions to MVEF's 2012-13 campaign as of June 30, 2013. We have made every effort to list each name correctly, and we sincerely apologize for any errors or omissions — they do not reflect how much we appreciate your support. Please email [contact@mvef.org](mailto:contact@mvef.org) if you find any mistakes or have any questions. Again, our sincere thanks to all of our donors.

### MVEF Provides a Computer Cart for Every School

Over two fiscal years, 2011-12 and 2012-13, MVEF was able to provide technology grants for a mobile computer cart for every school in the district.

Castro Elementary received a cart at the beginning of the 2012-13 school year, and the teachers quickly came to rely on the cart, which supplements the school's dedicated computer lab. Vernorris Taylor, a fourth grade teacher at Castro, said, "My students are using the computers to collaborate in a way that is meaningful, not just 'you type while I talk.' When we are using ST Math and Khan Academy, the students can work at their own pace, and at a level that is challenging for them."

MVEF is grateful to the companies and foundations that helped us provide the computer carts to every school over the past two years, including Google, Samsung, Alcatel-Lucent, and the Melvin and Geraldine Hoven Foundation.

The ongoing support of these organizations helps ensure that Mountain View Whisman students have access to the tools and technology critical for 21st century learning.

**And Many More**

During the 2012-13 year, more than 100 individuals volunteered their time to help strengthen MVEF, and innumerable teachers and administrators spoke to parents about MVEF. On behalf of the students in the Mountain View Whisman School District, thank you for your commitment to MVEF and to the community.
