MOUNTAINVIEW
Educational Foundation
Annual Report 2016-2017

The 2016-2017 school year was a year of transition for the Mountain View Educational Foundation. We were deeply affected by the loss of our longest-serving Board member, Greg Fowler. Greg served on the MVEF Board for more than 10 years in a variety of roles. Although Greg and his wife Julie Lovins did not have children themselves, they were passionate advocates for the educational opportunities of the children in Mountain View. Their lifelong service to the causes that were important to them continues to inspire many of us on the MVEF Board and in the wider community.

Although a single person can make a tremendous difference, it takes a great number of people working together for us to achieve our goals. MVEF-supported programming impacts our students every school day, enlightening their minds and enriching their experience. We would like to thank the parents, community members, and corporate supporters for helping us meet our commitment to the Mountain View Whisman School District for the 2016-2017 school year.

Because of your donations, our gift to the district of \$737,249 paid for essential programs at the elementary schools, such as art and music through the Community School of Music and Arts (CSMA), FOSS science kits, Living Classroom outdoor education, Jim Wiltens' leadership classes, and environmental education and field trips. At the middle schools, we funded after-school sports and electives, science labs, and \$100,000 towards the capstone eighth-grade Naturebridge week-long trip to Yosemite. With your contributions and commitment, we will continue to provide essential and innovative programming for the children of Mountain View. Thank you for your support.

*Adrienne Heiskanen,
Board President*

Created in November 1999, the newly named, Greg Fowler Memorial Endowment exists to provide long-term, perpetual financial support to MVEF. Named after our late board member, gifts to the Endowment are an investment in the health of our community and our schools. The Endowment is professionally managed by the Silicon Valley Community Foundation, with a focus on long-term stability and growth.

In 2016-17, the fourth year of the 5 Years to \$500,000 Endowment Campaign, the MVEF Endowment reached over \$500,000, and MVEF was able to leverage the first endowment disbursement. To learn more about the Endowment and how you can make an investment in our schools, please email info@mvef.org.

Thank you to the following donors who contributed to the Greg Fowler Memorial Endowment between July 1, 2016 and June 30, 2017. This list includes donors who contributed to the 8th grade tribute campaign as well.
